prefer not to be quoted in the matter at all. As to the story that an understanding had been reached whereby the Union Pacific had demanded a big interest in all wool shipments from the Oregon Short Line over the Rio Grande Western, he said that it had no foundation whatever.

Mr. Munroe leaves for the coast this morning, having come in from the east yesterday.

budits was pushed with renewed vigor. One of their number was captured and lynched by the ranchmen before the regular officers could interfere. Johnson remained at large for a time, but was finally caught and taken to Green River, Wyo. The people were to thoroughly aroused by this time that the officers had to spirit Johnson away until the day of his trial.

At the trial the feeling was so strong that Johnson was promptly convicted

that Johnson was promptly convicted of the murder of Willie Strang and sentenced to life imprisonment. He attempted to have the dying statement of young Strang, which was to the effect

After serving two years in the peni-tentiary an appeal was taken to the supreme court, and that body ordered a new trial for the reason that the dying statement of Strang should have been admitted as evidence. It was well known this evidence would acquit Johnson, and when the case came up yesterday he was promptly acquitted.

FIGHT FOR COUNTY SEAT.

Interesting Contest On Between Rexburg and St. Anthony, Ida.

is not so. Who makes your shoes, who makes your chinaware, who makes the thousand and one things that we use in everyday life? Do we not depend on each other for everything? It is the united interwoven labor of all of us that makes it possible for use to live. It is a case of mutual dependence. This is an age in which we find the opening and combination baggage cars fresh from the shops, which are to be placed on the through line. They are lettered to class of men; they raise lucern, and cattle A survey is grain, sheep and cattle. A survey being made from the north fork Snake river to see if it is possible to extend a canal through this country, and from there on a hundred miles to the south and west: covering almost an empire of the most fertile land in southern Idaho. It will embrace all that country lying between Camas and Dubois on the north and east, and Lost river on the south and west.

The coming battle for the county seat between Rexburg and St. An other transportation companies, came to town yesterday. WALKERS' STORL.

THE SILK SALE.

Up to \$2.25 Waist Silks and up to \$1.75 Foulards at \$1.00. FRIDAY AND SATURDAY.

To say that the Silk Sale has been a success, is putting it mildly—the selling has been unprecedented even for the Walker Store. Small wonder, though; 75c to \$1.25 taken off every yard is no inconsiderable saving, and that, too, on some of the choicest imported Silks in the stock. But as we told you-conditions require decisive action on our part for stock reduction, and so when you can most largely profit by them, just at the beginning of want time for you, these Silks are sacrificed. Selection is still excellent, for there was wonderful variety. Waist Silks in the corded, hemstitched, drawnwork, striped, plain, figured, Paisley and Persian effects, and the Foulard Silks for dresses in plentiful choosing of new, desirable patterns and colorings. Be sure you come today or tomorrow, two last days-Foulards range up to \$1.75 and Waist Silks up to \$2.25,

\$1.00 a yard.
